PRODUCTS FOR HUMANS

DESCRIPTION:

PARASITAL® Mosquito Repellent Spray is a geraniol and lavender oil-based repellent with a pleasant fragrance. It provides protection for up to 4 hours. It is registered in the Spanish Agency for Medicines and Health Products, under number 567-PLAG, guaranteeing its sanitary control.

MODE OF USE:

Spray the mosquito repellent spray onto exposed areas of skin at regular intervals. Do not spray the lotion directly onto the face. Apply first to hands. Frequent and repeated use of the mosquito repellent spray is not necessary. Do not apply to the hands of children. Wash hands thoroughly after each use of the mosquito repellent spray. Wash the area of the body where the product has been applied, once the protection time has elapsed. Do not use in people who are sensitive to its components.

PARASITAL® Mosquito Repellent Spray is authorised by the Spanish Medicine Agency, guaranteeing the sanitary control of the product.

PRECAUTIONS AND RECOMMENDATIONS:

Keep out of the reach of children and away from food and drink. It contains geraniol and lavender oil. Avoid contact with the eyes, mucous membranes and sensitive or diseased areas of skin. In the event of contact with the eyes, wash immediately with abundant water. Do not use in pregnant women or in children under the age of 3.
